

**EUROPEAN
BISON**

**WILD BEAST
FOREST**

**KNIGHT
OF
THE OLD
FOREST**

Just take a look at this giant!
It is truly mighty.

It has lived in this forest with hundreds of years old trees for a million years.

The bison's kind is so ancient that nobody doubts its noble ancestry.

Its horns are a scary weapon, a retributive sword for anyone who provokes it.

This is a description of the European bison, but it could have been about a knight from the middle-ages. When we noticed it, we started to research the bison's life. And what did we notice?

They really live according to knightly laws!

European bison respect their suzerain, look after their dames, commit great deeds in her name and always accept invitations to fight! After herding together, they venture out to the new lands, not to Palestine, but still...

**KNIGHT
OF
THE OLD
FOREST**

- So this is a story that happened in a special world, which we are going to call Camelot. The Knights of the Round Table revered King Arthur and one of them, Lancelot, fell passionately in love with Queen Guinevere...

What happened next, you probably already know... Or not?

KNIGHT OF THE OLD FOREST

Well, we are going to tell you this story once again, in our own way, with some conventionalities, but I bet that you are not going to forget it this time!
